Mrs. O'Brien's Pupil Concert. erry month of May none can surpass Thursday night, in which the perform-

ers were the members of Mrs. O'Brien's As this is the first public exhibition given by the lady, it may be as well to ntion that she was a favorite pupil of that most careful and accurate of eachers, Miss Margaret Ring; that since the death of her husband she has has been supporting her family by taking a class of pupils in music, succeeding in a great measure to the po-

sition previously occupied by her in-

pupils gives ample testimony to the care and skill of her instructions. A prominent place in the program was occupied by a number of very ccessfully executed piano pieces ncing with a very creditable Tancredi, played by Miss Lieber. As Providence, the first of the week. a piano solo, this is no light undertakng, and Miss Lieber grappled with its ifficulties with great success considring the short time during which she has received lessons. The other pianists were Misses Faxon, Herndon,

Hurst, Northington, Mallory, Bring hurst, Annie Young, Reita Faxon and our disposal renders it impossible to week give a separate notice of all these efforts, but we cannot refrain from recording the pleasure with which we peard two of them.

The first of these was a duett com posed on themes from Il Trovatore by Mrs. Rives King; this is a piece full of to attend the Press Association. brilliant effects and intricate difficulties of execution, which was faultlessly performed by Misses Faxon and Herndon. The other was a set of variations on the well known Ethiopian melody, "Old Black Joe." It was executed by Master Ross Faxon, a boy only thirteen years old who had only learned his notes when he began taking les sons of Mrs. O'Brien. He played it precision, but with a degree of feelng and expression beyond all expecta-

tion in a vonth of his years. The first two parts were closed with fancy scenes; the first representing play ground scene in which children some on the swing and others parading in military order, all of which was accompanied with singing, till the sound of the school bell broke it all up with a hurried rush to the school coom. The finale to the second part young lady of Fairview, Ky, was in was prettier still; a nicely painted scene represented a flower garden, in visit to relatives and friends. which apertures were left in the pictures of flowers, through which chilflowers

The third part was closed by an amusing duett, very cleverly sung by It is claimed by some who are Master Lee Hodgson and Miss Reita Some choruses were interspersed in This would have given the Tylers the lady vocalists, those of both sexes having received instruction from Mrs
